

13B10 - Assistant Gunner

Integral member of a crew that operates high technology cannon artillery weapon

systems. Loads and fires howitzers. Sets fuse and charge on a variety of munitions, including high explosive artillery rounds, guided projectiles, scatterable mines, and rocket assisted projectiles. Uses computer generated fire

direction data to set elevation of cannon tube for loading and firing.

Employs rifles, machine guns, and grenade and rocket launchers in offensive and defensive

operations. Communicates using voice and digital wire and radio equipment.

Uses critical combat survival skills to operate in a hostile environment.

Maintains operational readiness of vehicles and equipment.
